Projected Digital Image (PDI)

Lots of different acronyms are in use but at its last EC meeting the PAGB agreed to use PDI as the shortened form. Some documents have already been issued with other acronyms but these will be updated in due course. PDI is probably the most common usage and it is hoped that Federations and Clubs might adopt this generally.

COPYING CD LECTURES

It would be very easy to copy a PAGB lecture from a CD but I am sure every photographer is aware that this would be a breach of copyright of the authors work and a breach of PAGB copyright of the compilation. Please respect the contributing photographers and do not copy such CDs. The PAGB will take any such infringement or breach of copyright very seriously.
