

When the Competition Administration Committee, chaired by Daphne Hanson DPAGB, APAGB, first proposed that the Inter-Fed Print and PDI competitions be merged into a single day, a few eyebrows were raised and there were questions over the viability of such a venture. However such was the enthusiasm of the team that the Executive gave the "green light" which unleashed a tide of change including "on line" entries, bar codes and scanners to ease the administration and opening the judging to an audience.

The driving force behind all these changes was Gordon Jenkins who had experience of these "new" technologies following a successful trial within the L&CPU. But there was one potential problem. Which Federation would be bold enough to try and make this new system work? Step forward Roy Thomas, PAGB Vice President, who volunteered the Welsh Photographic Federation to act as guinea pigs – now known as "Innovators"

So it was that we all assembled at Talbot Green on the 8th June with audience members from several Federations in addition to the WPF and members of the PAGB Executive. We witnessed two competitions excellently run with some really outstanding photographs. All the changes worked so well although it was a steep learning curve and we all made notes of little "tweaks" that we may wish to introduce for the future.

"On line" entries and Bar code readers would not have been possible but for the time and dedication of Adrian Lines who developed the system for us, ably assisted by Jane and Dianne Owen, scanning in the judged images. We owe a debt of gratitude to him.

We had a grand welcome from the Welsh PF, who dressed and worked like the team they were and their hospitality was top notch – I even found a sausage roll – or two! Our three selectors, Jan Cawley EFIAP/s, HonFWPF: Bill Hall DPAGB, AFIAP, ABPE, and Peter Gennard MFIAP, EFIAP/p, worked very hard to make sure each of the four competitions – Mono Prints, Colour Prints, Open PDI and Nature PDI – had worthy winners and balanced exhibitions –all done in public rather than behind closed doors.

This event will be firmly on the PAGB calendar from now on. We have a Federation willing to host 2015 and it is my firm recommendation that every other Federation should apply to join the rota as soon as possible. Otherwise you may lose out on one of the events of the year. Such was the enjoyment that I do not think the WPF will want to wait fifteen years to host it again. Leo Rich, PAGB President

Whilst it has been gratifying to receive praise and thanks for the WPF contribution to the successful first running of the PAGB Joint event from those Executive members that attended – I feel that it is necessary to recognise the magnificent effort and contributions made by Gordon Jenkins, Adrian Lines, Daphne Hanson and the team that travelled with them.

Gordon led from the front in specifying the rules and procedures needed to run such an event he also on the day acted as a true Major Domo, ensuring step by step that all the workers, judges and audience understood what was needed and what was to happen next – he has ensured the success of this event.

Adrian Lines and his team worked to Gordon and Daphne's brief and not only created - with Tony Riley's help – an on-line entry system that worked well but also delivered the control behind that managed the data and prepared it for creation of the competition, catalogue and slide show creation. Even more importantly because of the difficulty in sequencing the prints with the PDI copies (Different quantity of prints from each Federation leading to complexity) – quickly delivered a bar-coding system which allowed the handler on picking up the print to read the bar code with a gun which immediately projected the correct PDI for the audience to view. A simple to use technical solution to a difficult manual demand. It was great! Thanks Adrian and team!

Daphne deserves praise for the calm way throughout the day that she spoke to individuals to keep them on song but at the end of each session she had control of which images were needed to be accepted in the Exhibition – simple and effective. Thank you Daphne!

Finally my personal thanks to our President Leo. His opening and closing remarks were, as always, apposite and delivered with his unique humour made the effort all worthwhile. **Roy Thomas WPF**

AWARDS FOR PHOTOGRAPHIC MERIT (APM) WORKSHOPS

The PAGB have decided to run an "introductory" APM Workshop in each Federation approximately two years prior to that Federation's hosting of an APM Adjudication. The purpose is to publicise the Adjudication by explaining how the APM work, what standard of work is required and how applications can be made. Delegates will be asked to bring a small selection of work (5 or 6) for a preliminary assessment by APM "experts" to advise them which level of Award (CPAGB, DPAGB or MPAGB) they should be working towards.

The first of these Workshops are now being organised -Saturday 20 September in the Welsh Photographic Federation.

(See Page 13 for a ticket application form) Saturday 18 October 2014, hosted by the NCPF, in Clara Valley Village Hall, Clara Vale, RYTON, NE40 0JE from 10.00am. (See Page 12 for a ticket application form)

These Workshops will be open to interested prospective Applicants from other Federations. Ticket details will be published in e-news in due course.

In 2015 we hope to see similar PAGB Workshops organised in Scotland, Surrey and East Anglia. APM Workshops are also organised by Federations, normally restricted to their own Club members, and these workshops are usually supported by members of the PAGB Awards Team.

Tri-Chromatic Shadows by Sir George Pollock HonFRPS MPAGE EFIAP

Hire "IDEAS ABOUT THE ART OF PHOTOGRAPHY" from the PAGB Recorded Lecture Service and this CD comes free. Production by John Law, Music by Winifred Atwell

Inspired by Clerk Maxwell's demonstration of three-colour theory at the Royal Institution in 1861, George Pollock traces the development of the underlying ideas in a series of photographs of models and dancers taken between 1973 and 1984, and improved digitally in 2012. Using three projectors fitted with primary colour filters, the shadows mix on the back-projection screen to create the three primaries and the three secondaries as well as black and white. Runs 11 minutes 30 seconds, with a commentary, and music.

Peter Jackman APAGB died recently, after an illness of some months. A long standing member of Princes Risborough PS, he was a photographer of great imagination who pushed all the boundaries of the subject. He also painted and this gave him another outlet for his creativity. As a much admired judge in the CACC and further afield, he will be missed for his ability to understand a photograph's purpose and mood, as well as its technical quality. And not least, we all have a better appreciation of the artistic aspects of photography through Peter's pleasant and entertaining delivery of his extensive knowledge in this area.

Peter was a Harley owner - see Page 7 for a picture of his funeral.

AWARDS FOR PHOTOGRAPHIC MERIT IN AUDIO VISUAL

At last, after a very lengthy online conversation, the PAGB are once again able to offer their APM in Audio Visual at CPAGB, DPAGB and MPAGB. A leaflet describing the new procedures can be downloaded from <u>http://www.thepagb.org.uk/merit.htm</u>

The process has been completely revamped to enable many more participants and, although AV Production will still be by far the most important aspect of the Awards, there is now an additional requirement for competent original photography. We are keen to organise an Adjudication as soon as possible but, before setting a date, we need to know if sufficient people will wish to apply. If, after reading the new leaflet, you are interested in entering you should contact your Federation Awards Officer who will, in turn, contact the APM Secretary, Leo Rich. We will fix a date as soon as we have enough interest.
