Due to the very small number of slide entries in this year's Projected Image competition, the PAGB has decided to discontinue the acceptance of slides from 2011 onwards. Entry will be for Projected Digital Images (PDI) only.

The Inter-Federation Print Competition was judged in June. The selected Print Exhibition is at present touring the country where it can be viewed at Towneley Hall, Burnley until Monday 31st January 2011. This is an excellent Exhibition and is well worth viewing if you are in the Burnley area. Times of opening are from 12 noon - 5 pm every day except Friday when the gallery is closed. Alternatively your club can obtain a CD of the Print Exhibition for a donation to expenses of £10 by contacting the Competitions Administration Officer, Daphne Hanson, hanson943@btinternet.com.

Some of the prints entered in this year's Print Competition were mounted on board larger or smaller than 500 x 400 mm which do not fit our frames. These were judged this time but the larger prints could not be exhibited. The rules from 2011 will specify that all prints - even small prints - must be mounted on board measuring EXACTLY 500 mm x 400 mm.
