The GB Trophy was judged in Pontefract on Sunday 11th November. The entry numbers were down on previous years with 19 clubs entering 426 prints in the Open section and 15 clubs entering 233 prints in the Nature section.

The Judges and helpers were treated to some excellent images, as can be witnessed by the exceptional number of high scoring images. This was proper photography, not only were the images superb but the printing skills of the entrants were also of extremely high quality. Whilst we receive many more entries in the GB Cup, the extra dimension enjoyed in handling and viewing prints makes judging the GB Trophy a more enjoyable experience.

Arden Photo Group and Rolls Royce (Derby) Photographic Society are both to be commended for winning the Open and Nature sections respectively. You will see from the published results that Arden PG had 8 prints scoring 15 and 4 prints scoring 14 in their winning entry of 12, a loss of only 4 possible points.

All the individual prize-winners are also to be congratulated for their achievement.

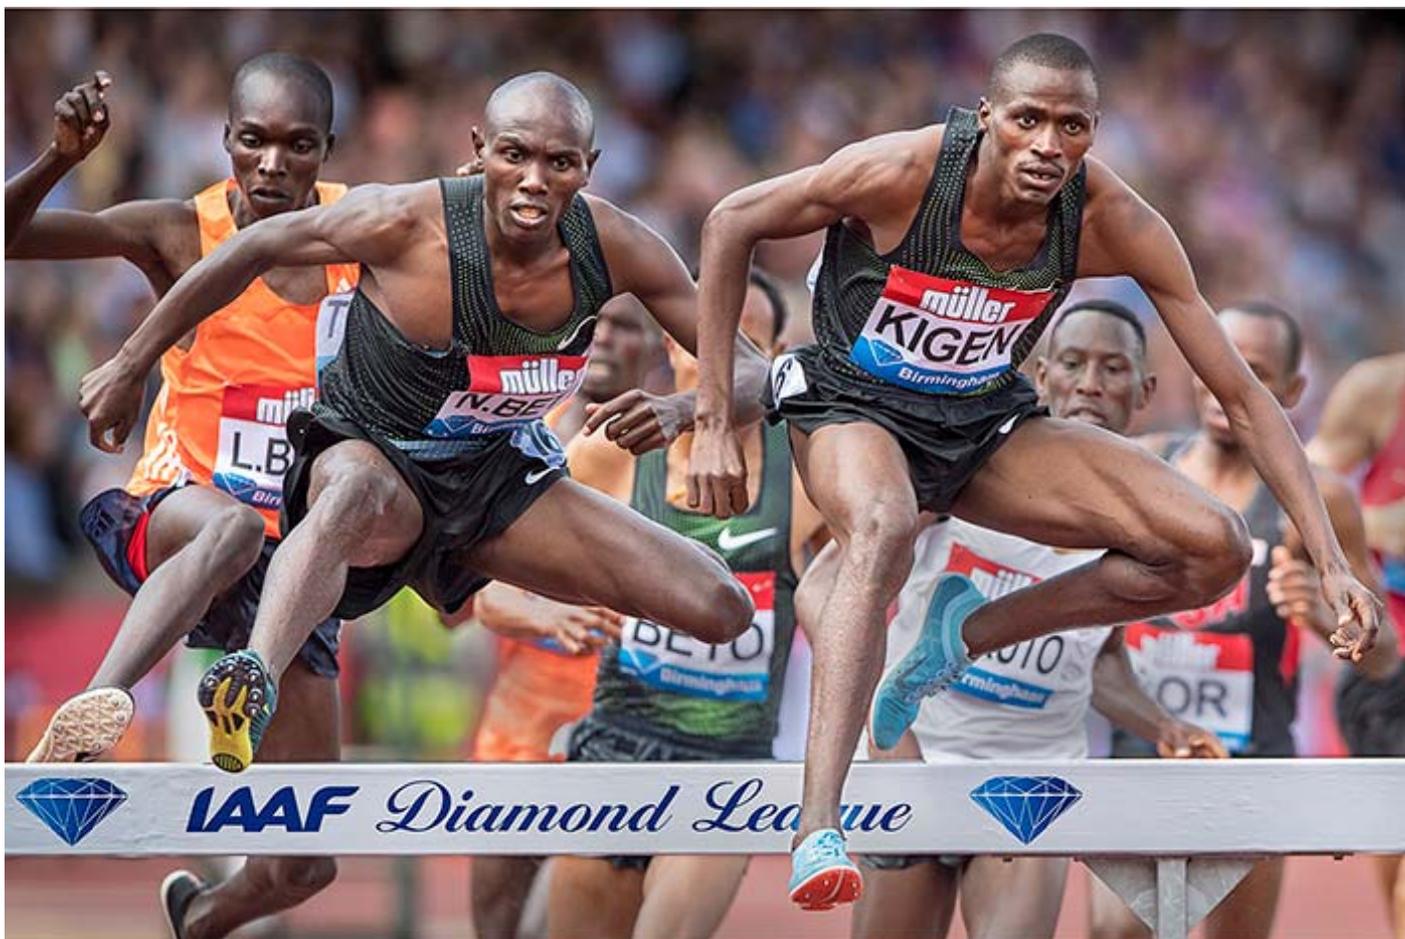

I would like to thank the Judges for giving up their time and expertise to officiate at the judging and hope they enjoyed the day as much as I did. I would also like to thank the PAGB Team and YPU helpers who ensured the day ran smoothly.

Please do all you can to ensure that your club enters the GB Trophy 2019.
