WARWICK SPECIAL ISSUE 117 – Jun 2014

**WOW! IT'S WARWICK AGAIN!** Why the excitement? Well it's quite simply a great day of photography. A chance to meet old friends from all over the country. A good auditorium where every seat has perfect viewing. Our Club has competed on a number of occasions but we go every year anyway. It's the opportunity to see the very best of Club photography in the UK, Oh, and a great raffle. Miss it and you will regret it. Get your tickets now.

Bob Dennis, CPAGB, APAGB, AFIAP, BPE4\* (Bebington PS, L&CPU)

## HOW THE DAY PROGRESSES

As all images from competing clubs (38 this year) are in and loaded up before the event and we commence in the Warwick University Theatre at 10.15am.

The doors open for admission at 9.30am but, if you arrive earlier and need coffee to wake you up, there is a café on the lower level. There will also be a number of trade stands to visit and lots of old friends to greet.

The day starts with the projection of 8 PDI per Club in Round 1 and progresses with Round 2 which allows the competing clubs to select their next 8 PDI after seeing the Judges marks for the first round! Then the Plate Competition and the Final with the top 8 Clubs from Rounds 1 and 2.

Eventually around 4.30pm it will all be over. We will have a Plate Competition Winner, a Champion Club, the Best PDIs named by the Judges and the fantastic raffle will have been drawn.

426 people bought tickets in 2013 so we may be full and unable to sell any tickets on the door. You have been warned!

*Form Calculation* 1st = 10 2nd = 9 3rd = 8 4th = 7 5th = 6 6th = 5 7th = 4 8th = 3  
9th/10th = 2 P = Plate Winner = 2 Qualified but not in the Final = 1

Note – the last 16 clubs listed did not compete in 2013 but did record points in previous years.

So who's going to win? Can anyone beat Wigan 10? Obviously Wigan and Smethwick must be short odds favourites but a good outside bet might be The Inn Focus Group who won the Plate last year, Dorchester who have done well recently, the Eryri Group bringing Welsh combined strength or perhaps Carluke from Scotland who have kept their powder dry for a few years. Who do you fancy?
