Just a few of the Scottish Federation distinction recipients showing off their FIAP certificates at the opening of the 92nd Scottish Salon of Photography in East Kilbride.

The Salon had two openings and some certificates had been presented earlier in Aberdeen.

Terry Railley EFIAP, Peter Paterson MFIAP, George Neilson SPF President, Martin Reid AFIAP, Eoin Johnstone EFIAP, Clive Turner EFIAP/b, Moira Gardner AFIAP, Robert Gilmour AFIAP and Bill Terrance EFIAP/b

John Harding LRPS EFIAP/b. Sadly, John's FIAP Bronze Distinction is awarded posthumously.

It is with great sadness that I have to inform you that John passed away this weekend following a massive heart attack. John was a friend to many of us and a considerate colleague to all at the Stratford Photo Group.

Affectionately known to some as 'The Prof.' (John was a Professor of Engineering in a previous life) he epitomised to me what the SPG membership are: enthusiastic, passionate and committed to his hobby. He was prepared to share his enthusiasm with fellow members and did a number of talks to the club on his style of photography.

John joined Stratford in 2009 and made an immediate impact, winning all three of the Novice Merit Competitions in the prints and coming second overall in the projected images, and was swiftly promoted to the Advanced section.

By 2011 he was probably the most prolific member of the club, not only supporting the club competitions but achieving success in external exhibitions and competitions all over the world.

He gained his LRPS and was working on a submission for his ARPS (with a Victorian series). John has already won the SPG Merit Print section and the Colour and Mono Panels Cups this season and without doubt would have given us all a hard time in the annual cups at the end of the month. John was a big man in the best of ways who will be greatly missed and leave a large gap in the lives of those who knew him. He will be sorely missed by his wife and two daughters, as well as the members of Stratford Photo Group.
