# WHY YOU SHOULD ENTER

## THE MASTERS OF PRINT

<http://www.thepagb.org.uk/competitions/pagb-masters-of-print/>

There are lots of reasons why you should enter the masters of print, quite apart from the Prestige and the Pride you will have in an Acceptance to the most exclusive, and one of the most prestigious, amateur exhibitions in the UK.

But let's start with the prestige. Only 60 prints will be accepted, and our aim is to ensure that these should be the very best of club photography this year. New work is heavily encouraged, so you won't be competing against any of the well-publicised "medal winners" that you have frequently seen in catalogues. Every photographer accepted will become a member of our Hall of Fame, with an opportunity to have your work featured in e-news, seen by thousands of appreciative photographers.

Although only 60 Prints will be chosen for the Exhibition, each entrant can have only one and 60 different photographers will be honoured. This gives everyone a good chance, not just the "usual suspects" and many people in the 2017 and 2018 Exhibitions had never experienced this level of success before. Many had not entered National or International competitions, thinking that their style of photography was not likely to be successful. Our judges were happy to stretch the boundaries.

And, there is a Club entry this time with a handsome trophy and a generous prize. Your photograph will be exhibited all over the UK, including a prestigious showing in St Martin in the Bullring during the Christmas festivities – the footfall will be huge and the Opening Day will be an occasion not to be missed! We produce a superb catalogue, which every entrant gets, with just one picture on every page. Your Picture could be one of them. We are happy to claim that this was the best catalogue produced last year for any amateur exhibition.

Even if you miss out on selection, you can become part of the Salon Refusés, which is hired by lots of Clubs to give a great evening's entertainment.

Whatever else you do today, start thinking NOW about your entry of FIVE PRINTS.

## AWARDS FOR PHOTOGRAPHIC MERIT – DAPHNE HANSON DPAGB APAGB, AWARDS SECRETARY

### SEPTEMBER 2019 “CLOSED” ADJUDICATION – DUMFRIES

The September “closed” Adjudication was held in Dumfries and all entrants have been sent their results via the Central Entry System and their Badges have now been posted to the successful applicants. Congratulations to everyone! (Certificates will be sent to the Federations for presentation, in due course, to the successful applicants.) This event was run very smoothly indeed by the PAGB Awards Team, with the assistance of members of Dumfries Camera Club, to whom we are indebted for their help and support on the day.

### NOVEMBER 2019 ADJUDICATION – WATFORD

The APM Central Entry System went live on 1 September for applicants to upload their images by the closing date of Monday 21 October. Any tickets not taken up by the entrants will be available after 26 October on a “first come, first served” basis, purchased online from the CACC website at [www.thecacc.org.uk](http://www.thecacc.org.uk). Tickets are £10.00 for observers and payment can be made either by cheque or bank transfer.

### APRIL 2020 ADJUDICATION – REDNAL, BIRMINGHAM

Applications for the Credit level have been slow for this Adjudication, but the section is now approaching half full. The Distinction and Master sections, however, have been brisk and are well over half full. Spaces fill very quickly and it is likely that all sections will be full by the end of the year. Hosted by the Midland Counties Photographic Federation, the Adjudication will be held over the weekend of 25 & 26 April 2020 at HillsCourt Education Centre, Rose Hill, Rednal, Birmingham B45 8RS.

### NOVEMBER 2020 ADJUDICATION – WESTERN COUNTIES

Since opening the books for this Adjudication I have received 14 applications. Hosted by the Western Counties Photographic Federation the event will be held over the weekend of 28 & 29 November 2020. The venue is not yet decided.

## AWARDS FOR PHOTOGRAPHIC MERIT ADVISORY DAY IN FOXTON, CAMBRIDGESHIRE.

On Sunday 1<sup>st</sup> September we hosted another very successful APM Advisory day at Foxton. Once again we were fortunate to have the PAGB Team travel down from Scotland and the North-West, plus two more from the Midlands - Rod Wheelans MPAGB HonPAGB MFIAP FIPP, Anne Greiner MPAGB, Richard Speirs DPAGB APAGB BPE 2\*, Gordon Jenkins HonPAGB, Peter Cheetham HonPAGB and David Gibbins CPAGB/AV APAGB EFIAP ARPS BPE 4\*. Also, because we had such a high response, our largest ever - 33 for prints and 20 for PDIs, we invited two more local judges, Colin Westgate MPAGB FRPS MFIAP APAGB and Roy Essery MPAGB to help out. We are very grateful to them all for giving up their time to advise for distinctions. The events don't run on their own and I am very grateful to the members who supported the day, Naomi Saul, Paul and Shirley Radden, Simon Jenkins, Liz and Nick Akers, Mike Dobson and my wife, Pam. **Vic Hainsworth ARPS DPAGB. Federation Awards Secretary**

## AWARDS FOR PHOTOGRAPHIC MERIT ADVISORY WORKSHOP

<https://www.mcpf.co.uk/event/apm-workshop/>

### Saturday 2 November and Sunday 3 November 2019

Two one-day workshops are being held at the Old Schoolhouse (Smethwick PS), Churchbridge, Oldbury meeting rooms. These workshops are intended for anyone who is considering applying for one of the PAGB Awards for Photographic Merit in either Print or PDI.

The MCPF will be hosting an APM Adjudications in April 2020 and this may be a suitable workshop for anyone intending to apply for that event.

**The cost is £15 for those bringing images for advice and £10 for observers.**

There is a maximum of 30 places available for participants on each day. Tickets for participants will be allocated on a first-come basis and bookings will not be confirmed until the monies are received.

## BEHIND THE PHOTOGRAPH

Breath-taking imagery, some of which has never been seen before in print, by world renowned and highly acclaimed landscape photographer, Charlie Waite, can be enjoyed in his new hardback collector's book, 'Behind the Photograph'. The photographs are a collection of images taken by Waite from across the globe, conveying a sense of spirituality and calm, ever more poignant in our fast paced and ever-changing world.

Hugh Mooney, Editor of The Royal West of England Academy 'Art' magazine said, "Instantly recognisable, Charlie Waite's landscapes are rare perfections of light, colour and composition and offer the viewer a luxuriant portrait of a planet at peace and one where mankind and his activities are in harmony with his surroundings". Author and Television Presenter, Julia Bradbury added: "Charlie Waite is one of the best landscape photographers in the world and a champion for the medium. His keen eye for geometric design, even in nature, delivers beautiful photographs that can appear as oil paintings.

His recent work employs a more graphic and simple composition. harbouring a strong desire to strip away the irrelevant and complicated, Charlie finds solace in enjoying relationships between lines, simple colour palettes and shapes. After reviewing, 'Behind the Photograph',

## IF YOUR e-news STOPS ARRIVING.

If you have not unsubscribed but your e-news stops appearing in your Inbox, you may have been "bounced". Every issue we receive quite a number of reports of "Soft Bounces" & "Hard Bounces".

There are all sorts of reasons why your service provider may bounce e-news, sometimes it is just that your mailbox is full. If you soft bounce several times in a row your address is removed from our circulation list so that you will have to subscribe again.

Hard Bounces are permanent delivery failures. This means the recipient's email address is now considered to be invalid or no longer in use.

These addresses are removed immediately.

### Soft Bounce - General

The email server is temporarily unable to deliver your message to the recipient's email address.  
Example: "Connection timed out."

### Soft Bounce - DNS Failure

The email server is temporarily unable to deliver your message to the recipient's email address because of a DNS problem.  
Example: "Host is unreachable"

### Soft Bounce - Mailbox Full

The email server is temporarily unable to deliver your message to the recipient's email address because the recipient's email box is full.  
Example: "Mailbox over quota"

### Mail Block - Generic

Indicates that the recipient's email server is blocking email from our email server.  
Example: "550 Message REFUSED by peer"

### Mail Block - Spam Detected

Indicates that the recipient's email server is blocking your email because the message appears to have content that looks like spam.  
Example: "550 Possible spam detected"

So if you know anyone who used to receive e-news and has, unexpectedly, stopped receiving it please tell them that they have probably been "bounced" and should subscribe again at [www.pagbnews.co.uk](http://www.pagbnews.co.uk).
